Subject - Audit objection 42-43 & 43-44 Shimoga Municipality - payment of allowance to the Radio Tuning roll - waiving of -

In forwarding herewith in original the entire file of correspondence received from the President Town Municipal Council Shimoga Vide his reference No C4-103/45-46 dated 27th November 46 on the subject noted in the margin I have the honour to state as follows -

The entertainment of a Radio Tuner on a pay of Rs 15/- per month for a period of two years from 1-7-44 for attending to the Radio Tuning work in the Shimoga Town Municipality has been sanctioned by Government in their Circular No L 6941-2/41 9-44-43 dated 12th January 1945

62-63

The Municipal President reports that as no whole-time employee could be secured for the purpose on the meagre pay of Rs 15/- the work connected with the Radio Tuning was entrusted to one of the clerks of the Municipal Office It is stated that the official attends to this work during his office hours without interference to his legitimate duties It is further stated that the appointment referred to above resulted in a net saving of Rs 5/- per

It is seen from the records that as the currency of the period of sanction for the entertainment of a Radio Tuner expired on 30-6-46 i.e. at the end of the year 45-46 the Municipal Council considered the question of further continuance of the arrangement referred to above during 46-47 and on words when a resolution was passed to the

W [illegible] to the effect that one of the clerks of the Municipal Office might be given an allowance at Rs. 10/- per month for attending to the Radio Tuning [illegible] Vice versa [illegible] one clerk of the office

It is stated that sanction has been accorded for the purpose in the current year 46-47 subject to the Budget of the Municipality

The Municipal President requests that sanction of Government might be obtained to give effect to the aforesaid resolution of the Municipal Council during 46-47

I write to state in this connection that during the course of audit of accounts of the Municipality for the years 42-43 and 43-44 the local auditors of the Comptroller's Office have raised objection to the payment of allowance at Rs. 10/- per month to one of the clerks of the Municipal Office on account attached to the Radio Tuning [illegible] on the ground that payment of such an allowance to an employee requires the sanction of the competent authority in order to admit the expenditure in Audit Vide Extract of the Audit Notes for 42-43 and 43-44 enclosed in the Records

In the circumstances I request that sanction of Government in the matter be obtained and communicated on the following points -

1 For the continuance of the post of the Radio Tuner during 46-47 may be given an allowance at Rs. 10/- per month to one of the clerks of the Municipal Office for attending to the Radio Tuning work during his office hours in the evening

2 For retaining the action of the Municipal President in having entrusted the Radio Tuning [illegible] to

rr to one of the offici s borne on the ...icipal Estab ishment during the years from ...63 63-64 64-65 a 65-66 and for having paid to him the allowance at Rs 10/- per mensem during the period referred to above, without obtaining the previous sanction from the competent Authority. Instructions have however been issued to the Municipal President not to give room for such irregularity in future.

Subject - Audit Objection 1942-43 and 43-44 - Shimoga Municipalit - Payment of allowance to the Radio Tuning work - waiving of -

With reference to our letter No L 13246 dated 1st April 1947 on the above subject enquiring about the authorit under which the allowance in question was paid and sanction of Government in this behalf was not sought for etc I have the honour to forward herewith in original letter No C2-105/46-46 dated 29th April 1947 received from the President Shimoga Town Municipalit in the matter and to state that the Municipal President reports that the payment of the allowance to one of the clerks of the Municipal Office was continued during 1942-43 and 43-44 as the Municipal Council could not secure a whole-time servant for the purpose at the sanctioned pay of Rs 15/- per mensem

He accordingly in view of the reason cited above and the fact that it would minimise the expenditure the Radio tuning work was entrusted to one of the clerks of the Municipal Office on payment of allowance of Rs 10/- per mensem

The Municipal President further states that as the Audit note of the year 1942-43 and 43-44 was received only during 1946-46 sanction to regularise the expenditure in this account could not be obtained therefor earlier

The Municipal President solicits sanction to the proposal now made to continue the payment of allowance to one of the clerks of the municipal Office ~~enlargement of allowance~~ at Rs 10/- per mensem for attending to the Radio tuning work for 5-30 P M to 9-0 P M every day without prejudice to his legitimate work in the Municipal Office

In the circumstances I request that sanction of Government may kindly be obtained and communicated to me on the following points

(1) To continue the payment of allowance at Rs 10/- per mensem to one of the clerks of the Shillong Town Municipal Office who attends to the Radio tuning work during his off hours i.e. from 5-30 P.M. to 9-00 P.M. every day with effect from the current official year 1946-47 i.e. from 1st July 1947 and during subsequent years and (2) to instruct the action of the Municipal President in having entrusted the Radio tuning work to one of the clerks of the Municipal Office during the period from 1942-43 to end of 1945-46 and in having paid to him allowance at Rs 10/- per mensem during the period in regard to above without obtaining the previous sanction of the competent authority
